15<sup>th</sup> April 2015

Dear Parents

The dates for 'Beach Schools' this half term are **Thursday 23<sup>rd</sup> April in the morning, Friday 1<sup>st</sup> May and Thursday 14<sup>th</sup> May are both in the afternoon.**

Please can all the children come in to school wearing warm home clothes, wellies and a warm, waterproof coat. The children will need their school uniform and shoes in a carrier bag for the morning session. For the two afternoon sessions children will need to come into school in their school uniform with their beach school clothes in a carrier bag to change into.

Over the next few weeks the sun will be getting stronger, and you may wish to apply sun cream to your child especially their face and neck, particularly on beach visit days since the combination of sun and sea breeze is likely to cause burning without protection.

This half term, as part of our National Curriculum coverage, we will be focusing on the sea, what creatures live on the beach and how they adapt to survive. The children really do enjoy these sessions and we are lucky enough to have volunteers from the National Trust that lead these sessions with us.

Thank you for your continued support.

*Mrs Faye Smith*
