PE and Sport Funding plan 2016 - 2017

Rationale: The Government guidelines state that the purpose of the funding is to 'develop an enjoyment of sport and physical activity, promoting a healthy lifestyle in children from an early age.' The expectation is that the funding is spent on improving our provision of PE and sport, in ways which we consider appropriate to our specific needs.

As a small school we have always been aware of the need to offer as broad and rich a curriculum as possible, drawing upon staff talents and specialisms at any given point, and taking advantage of other initiatives or adult expertise which may become available to us. We have been successful in this aim, including in the realm of PE. Changes in teaching and support staff may have serious implications in respect of provision, and the school leaders and Governors take a proactive approach in this respect, anticipating, as far as is possible, where adjustments, adaptation and innovation may be required; they seek a range of ways to secure good quality provision and this funding will be used to further support development.

Since this funding started we have been enabled to gain our Gold Sainsbury's Games Award.

Amount: £8,430 - 2016/17

Area of Sport	Purpose/Intent/When	Costing	Impact/Outcome
Swimming	Provide training for all teachers & take lessons	£500	Improved teacher confidence and knowledge, leading to high quality swimming teaching and good levels of pupil attainment.
